

AMESBURY HOMEOWNERS ASSOCIATION
ARCHITECTURAL CONTROL COMMITTEE
Approval Procedures

Dear Homeowner,

Please complete this form and provide the plans and specifications of your proposal. Also include a site drawing showing location of project in relation to the neighboring homes. Mail a copy of this form and the site drawings with plans/specifications by certified mail to all adjacent owners. They are to sign and date this form. If there are no objections, the owners can mail the form back to the submitter.

Objecting owners must file a written objection with the ACC within 21 days of receipt of said notice. (Please refer to the CCR'S if you need additional information.)

After the response is received from the adjacent home owners, please mail (in duplicate) this form with the plans/specifications to the ACC committee. (Address below)
